

# TRIPLE MENACE STUDIOS

SCHOOL OF PERFORMING ARTS

## *Hair & Makeup Information*

Hi Parents/Dancers,

Please see below for ***Emerge*** showcase hair and makeup information for all **junior, pre senior and senior** students. All students will have approximately 1.5 hours to get ready after the tech rehearsal on show day, so if hair can be done in the morning before arriving to Hurstville Entertainment Centre without compromising the quality/freshness of the hairstyle when rehearsing, this would be ideal, otherwise after rehearsal is best. Makeup will need to be done after rehearsal as dancers will be sweating throughout the day, however if you would like to get a head start by applying foundation as the base and then simply work on touching this up once the rehearsal concludes, that is fine also.

### **HAIR**

This year we are allowing students to select their own hairstyle, provided that it is a style that is well groomed and off the face – no hair out unless a large portion is off the face, for example: half up, half down. We would also like some degree of slickness. Lots of hair gel/hairspray is required for this to ensure there are no wispy bits. If you are having a style that has a pony/bun/plait, please make sure you have adequate elastics and pins to secure your hair, in preparation for high impact movement. Please see below for some example styles that would work well:

**PLEASE NOTE: You will be required to convert your hairstyle into a bun for all ballet routines.**

Alternatively, we will be offering some hair and makeup services on showcase day for those who require some assistance. If you choose to book in for one of these services, a time will be allocated to your child throughout the day at a time that does not conflict with their stage rehearsal. Please see below for our options this year:

#### **Option 1 – Standard Hair Style Service:**

*Cost = \$30.*

Styles include: ponytail, plaited ponytail, half up/half down or buns. Please note: exact style will be decided upon on the day based on your child's hair length and thickness, and what is achievable without compromising the quality/presentation.

#### **Option 2 – Premium Hair Style Service:**

We are very lucky to have a wonderful TMS mum that runs a hair braiding business. She will be offering the following premium hair styles on the day. These can be booked in through us on the sheet below.

## **Style 1: \$30**

Slick plait with extensions. Please note: your child will need to come with their already slicked up into a high ponytail.

## **Style 2: \$50**

Two front braids into space buns.

**Style 3: \$40**

Two side braids into pigtails. Please note: you will be responsible for styling the pigtails, i.e. straightening or curling them.

**Style 4: \$45 without extensions or \$55 with extensions.**

2 side braids – with or without extensions.

## Style 5: \$50

### Bubble Braids

*Please note, the premium hair styles listed above are open to all students, whether they are getting it done by our team of stylists or not. If students are capable of braiding their own hair, they are most welcome to use one of the styles above, or any other style of their choosing.*
